Brassfoundry

As these are old books, we processed each page manually and make them readable but in some cases some pages are blur or missing or black spots. Trade catalogs, also known as manufacturer's or commercial catalogs, are an important primary source of information on building materials, supplies, decorative elements and industry trends during the 19th and early 20th centuries. So the dial has a trademark and the movement has a trademark, and sometimes the pendulum bob has a trademark.
