ROBERT DE NOBILI

Adjustment to new living conditions was not easy and during his first months in India, Roberto became quite ill.

Roberto de Nobili

Despite a cool favourable wind, it was not yet plain sailing. Our underlying intuition is that Griffiths reflects a theosophical rather than a Christian point of view.

Roberto de Nobili

Cintamani means connection of thoughts, or crown of thinking, and, according to Nobili, who describes it in a letter, the complicated syllabus was in three parts. The college remained at this location for 286 years until the Capture of Rome in 1870. They explained to him what that meant.

Robert de nobile, Christian Missionary in Madurai, Roman missionary, ...

Roberto became convinced that Hindus would never listen to the gospel until a break was made with Parangi Christianity. Of thirty-eight chapters twelve are concerned with pantheism and transmigration.

The god also bestowed on the University a sacred bench of solid diamond, on which only a faultless scholar was allowed to sit. He composed, apologetic works and philosophic discourses in Tamil, and contributed greatly to the development of modern Tamil prose writing. The King had the right of presentation to all benefices; even lay people employed by the Church were appointed entirely at his discretion.

Roberto de Nobili on Indian customs. (1972 edition)

Every day he must be scrupulously careful to wash. A distinctive feature of the countryside was the number of extensive tanks, where rainwater lay stored until the dry season, when it would be released to irrigate rice-fields. In some parts the Paraiyans were compelled to use a special language when referring to themselves or their possessions.

roberto de nobili : definition of roberto de nobili and synonyms of roberto de nobili (English)

A former student of C. Thus I adapt myself to their ideas just as Saint Paul adapted himself to the ideas of the Athenians, regarding the unknown God.
