Reading Nature

The real difference is between being a divine Person-Redeemer and being a redeemed human person.

Reading Nature

For example, many Western cultures are individualistic and trace their seminal cultural influence to ancient Greece, which had an economy based on fishing and herding. But one might also wonder whether culture can influence the way we think and experience the world. When trying to construct a translation manual for a foreign language based on verbal behavior, there is a problem of underdetermination.
