Studies in Modern History Ser.: Politics under the Later Stuarts : Party Conflict in a Divided Society, 1660

They were too anxious to maintain control of the purse for it to go through.

Politics under the Later Stuarts

Together with that, his manifest incompetence rendered him odious in the eyes of the political nation. Fears about the resurgence of arbitrary government were exacerbated by the accession of the Catholic in 1685. After 1689, Parliament was dominated by two preoccupations.

Politics under the Later Stuarts

In 1629, the Protestant King of Sweden intervened in Germany, and then in 1635 France under Cardinal Richelieu intervened, and together that greatly lessened the threat of Hapsburg domination and a triumphant counter-reformation.

United Kingdom

But a revolution in Scotland forced him to return to the English Parliament in 1640 to find the money to contest it, and revived, with interest, the confrontations of the 1620s. Ideologically, the parties were divided over a series of issues.

Stuarts

He believed that it had led only to obstruction, disruption, and conflict and he would have no more of it if possible. The 1620s turned out to be a decade of mounting crisis and acute political polarization, a polarization which was vividly reflected in the relations between crown and parliament, and this situation arose from a combination of factors. The debate was made worse by suspicions about the Stuart kings' interest in exacerbating the Catholic tendencies in the Church, and in concerns about the threat posed by continental Catholic powers to the Protestant movement.
