The Meaning of the Creative Act by Nikolai A. Berdyaev

When two frames of reference have both become integrated into one it becomes difficult to imagine that previously they existed separately.

How Creativity in Humor, Art, and Science Works: Arthur Koestler's Theory of Bisociation

This journal presents articles with diverse perspectives on art therapy, as well as topics related to professional practice and research. They question how financial and cultural value is attached to various branches of creative activity and examine the area of meta-art. Instituting a Music Listening Intervention for Critically Ill Patients Receiving Mechanical Ventilation: Exemplars for 2 Patient Cases.
