Catastrophe (play)

This is because Beckett was a man of ideas, and rather than weave his ideas in and out of plot driven stories, he often chose rather to weave traces of what we consider a story in and out of his theme driven works. It was dedicated to then imprisoned reformer and ,. As an inspiration to many later writers, he is also sometimes considered one of the first postmodernists.

Catastrophe (play)

While many modern authors, such as J. Beckett told that 's painting , which he saw on his journey to Germany in 1936, was a source for the play. The actor , who played Pozzo, recalls the reaction of that first night audience: En attendant Godot, 1978 , directed by Waves of hostility came whirling over the footlights, and the mass exodus, which was to form such a feature of the run of the piece, started quite soon after the curtain had risen.
