A History of Healthcare in Britain Before the NHS

Employees on unpaid leave cannot be furloughed unless their unpaid leave started after 28th February with the exception of those returning from statutory leave, please see below. We will look at the life scripts you carry with you and how, if challenged, you can re-write them to be strong in your own world.

Practice Business

Our latest webinar is aimed at businesses who may be considering making redundancies due to the knock-on effect of the COVID-19 pandemic. Remember that you might need to visit more than one department on the same day.

Abusive NHS patients to be banned from receiving non

The rest of this article focuses on hazards, including where they might be found in different workplaces.

During your visit: your treatment

The Welsh Government has introduced Test, Trace, Protect TTP as an important national programme of work to limit the spread. If you need help to get COVID-secure, contact your advisor or call 01427 678 660 and one of the team will be happy to help.
