Flannery seem not to consider this as of much importance.

The Violent Bear It Away book by Flannery O'Connor

If Sam Berkowitz caused birds to fall from the trees, then surely there are individuals who make the flowers bloom? Her writing reflected her faith and frequently examined questions of and ethics.

Flannery O'Connor

O'Connor used such characters' inability to come to terms with disability, race, poverty, and fundamentalism, other than in sentimental illusions, as an example of the failure of the secular world in the twentieth century.

The Violent Bear It Away

Much of O'Connor's best-known writing on religion, writing, and the South is contained in these and other letters.
