But transformation begins at home, and the transformation of the DGME itself involved both root and branch. But overall, every sector contributes to the transformation effort. An instrument which is not authenticated as a result of the lack of authority or incapacity of the official, or of a defect in its form, takes effect as a signed document provided that it was signed by the parties.

A creditor may, at his own risk, terminate the contract by notice.

#### French Civil Code 2016

A suspensive condition is deemed to have been fulfilled if the party who is interested in its failing has obstructed its fulfilment. The consent of the debtor is not required unless the right was stipulated to be non- assignable.

#### civil service

It is relative where the rule that is violated has as its sole object the safeguard of a private interest.

#### French Civil Service

As far as is appropriate, they are subject, both as to their validity and as to their effects, to the rules governing contracts.
