## Chapter 11. Recruiting and Training Volunteers

The best about this place is the people though, the bosses are great, the other staff is awesome and I has so much fun with other workawayers and guest. Try to convey to the trainee -- through words of encouragement, written policies, or other methods -- that he or she will always have the support necessary to do the job well. Some organizations may include their code of ethics, especially if a volunteer's work is sensitive, such as caring for children, the disabled, or the elderly.
