Pharmaceutical Sciences MS

All students who complete the master Bio-Pharmaceutical Sciences, regardless of the specialisation, are admissible to a PhD programme in Bio-Pharmaceutical, Biomedical or other Life Sciences. English Language Test Applicants from a university outside Canada in which English is not the primary language of instruction must provide results of an as part of their application.

Formal Coursework

Sample Job Titles Outside Higher Education Scientist 3 Manager 2 Principal Scientist Pharmacist Clinical Chemist Project Leader Pharmacy Manager Director Medical Scientist CNS Medical Affairs PhD Career Outcome Survey You may view the full report on career outcomes of UBC PhD graduates on.

Pharmaceutical Sciences

This weakens the overall impact. In such a case, the course to be retaken must be completed during the next semester that it is offered, and the GPA must be restored to at least 3.

Pharmaceutical sciences students receive Three Minute Thesis awards

After initial committee evaluation, recommendation may be made that the student clarify or rewrite portions of the thesis before scheduling the final defense. Lecturer's comment 2: You can use signposting within your conclusion to guide your reader to the key points made by your essay.
