Examples of Arrangement in Composition

Pronoun A pro-noun I is a word which.

Full text of Handbook of English

Inscribed: In Greek, on each medallion, an identification of the figure represented: Jesus Christ, Mother of God, John the Precursor, Saint Peter, Saint Paul, Saint Matthew, Saint Luke, Saint John the Theologian, and Saint George. Person Singular Number Plural Number 1.

The Oxford Essential Guide To Writing

Past Perfect Tense—Active Voice Simple Substitute seen for been in the past perfect indicative of to be. The First Letter of Paul to the Corinthians and The Second Letter of Paul to the Corinthians are the seventh and eighth books of the New Testament canon. The general rule to be borne in mind in regard to number, is that it is the meaning and not the form of the subject that determines whether to use the singular or the plural form of the verb.

SongLiedMélodie: Paris Exposition 1889

A few minor amendments may be suggested. Dibdn's songs have the narrative, and not the Lyric, form.
