How to discipline your child the smart and healthy way

If there's an area where you were scarred as a child, you can count on that area causing you grief as a parent.

Positive Discipline 101: How to Discipline a Child in a Way That Actually Works

A parent with mental health issues or substance abuse problems, for example, may not be able to care for a child's physical or emotional needs on a consistent basis. This parent does not hold the child accountable for cleaning up his items and does not show herself to be the authority figure in the home.

Parenting

In the original design of time-out, the child is simply removed from the over-stimulating environment that creates or aggravates misbehavior, and then put into a non-reinforcing place to calm down and feel safe. Physical punishment—spanking, slapping, hitting, or shaming—can hurt children both physically and emotionally, and should never be used. Remind yourself your disciplining goal, which should be to teach, not to win in a conflict.

How to discipline your child the smart and healthy way

When you get into the habit, you can drop all these other things, but the habit will still stick.

Parenting

She is a very peaceful girl and a delight to be with. I want my kids to succeed! We talked to her about addiction, how we think she needs to have balance and she understands that the itch to want more is a sign of oncoming addiction that she needs to curb.

Positive discipline for young children

Of course I have the same problem with the foreign language she is learning.
