Kayak or Canoe? Which One is Best for You?

And I should be heartless and cold: Do you think that our peace would be ended, The tale of our happiness told? They range from 17-36 feet long depending on how many paddlers are in them, sit very low in the water, and have a rudder to help with direction. It has great carrying capacity, stability in white water and on big lakes, and can be easily paddled solo if needed.
