Primary Sources — United States Holocaust Memorial Museum

New York: Teachers College, Columbia University, 1947.

William Golding

In 1934, a year before he graduated, William published his first work, a book of poetry aptly entitled *Poems*. Karol was kept informed of who among his friends and neighbors had been sent to Auschwitz, who among the Jews had been herded into the ghetto--and who among both groups had been summarily executed. In many ways, I think Sir Hew Strachan is the natural successor to Michael Howard.

A.P. Tully Bibliography of Sources

He saw his professors rounded up and shot or deported. Japan at War: An Oral History.

World War II at sea a bibliography of sources in English [3 volumes]

Poland was the only country under the Nazi Occupation where you could be shot for helping a Jew. Now published by the International Society for the History of Cartography.

World War II, United States Breaking of Japanese Naval Codes

Sea Charts of the Early Explorers: 13th to 17th Century. At America's Gates: Chinese Immigration during the Exclusion Era, 1882-1943.
