The man who has seen the rising moon break out of the clouds at midnight, has been present like an archangel at the creation of light and of the world.

## Evangelistic Lectures by J. L. Shuler

The fields were still parched from the drought and again Anath and Shapsh set out to find Baal. Beauty, convenience, grandeur of thought and quaint expression are as near to us as to any, and if the American artist will study with hope and love the precise thing to be done by him, considering the climate, the soil, the length of the day, the wants of the people, the habit and form of the government, he will create a house in

which all these will find themselves fitted, and taste and sentiment will be satisfied also.
