In 2011, the Chinese media continued to report on the growing gap between the rich and the poor. Amid a broad crackdown against human rights advocates that began in February 2011, authorities in Beijing municipality and Guangzhou city, Guangdong province, detained at least five prominent human rights lawyers in late February or early March 2011, including Teng Biao, Tang Jitian, Jiang Tianyong, and Tang Jingling.

2011 Annual Report

At the same time, migrant workers continued to face discrimination in urban areas, and their children still faced difficulties accessing city schools.

Tibetans in exile, 1959

Politically sensitive Web sites continued to be blocked, including a popular Tibetan culture site, an anticorruption site, and a public health advocacy Web site.

Call on central and XUAR authorities to ensure equitable development that promotes not only economic growth but also respects the broad civil and political rights of XUAR residents and engages these communities in participatory decisionmaking. The term in Chinese is shenxue sixiang jianshe. Where the requirements specified by laws and regulations are met, plans for a second child, if requested, may be made.
