Financial cooperation under the Lomé Conventions: review of aid at the end of 1992. Europe Information: Development DE 77, November 1993

Les points importants sont : la promotion des droits de l'homme, la démocratie, le renforcement de la position des femmes, la protection de l'environnement, la coopération décentralisée, diversification des économies ACP, la promotion du secteur privé et la coopération régionale croissante. First of all, the Commission helped pave the way for Britain and its Commonwealth to enter into the Lomé agreement.

German government policy on Lomé : part II

Yet there are, it seems to us, a few problems with such an account.

Scott, Economic Development in Seven Pacific Island Countries. The informal talks took place on the evening of 9 August 1972 and I have been reminded that as we did so in Georgetown we were almost equidistant from Africa to the East and the Pacific Islands to the West. Subject to those rules and to the Community's freedom of decision in this matter, food aid operations shall be governed by the following guidelines: a except in urgent cases, Community food aid, which shall be a transitional measure, must be integrated with the ACP States' development policies.
