Italy

The modern society is more afflicted by social movements.

1968 in Italy: Revolution or Cold Civil War

The tests were conducted in a quiet room, with the women lying on their backs. New York: Cambridge University Press. On this terrain it is important to reflect on the connections between the dynamics of social movements and the practices of direct democracy; two questions that have often been considered separately, even within analyses on political conflict.

Movements as Constituent Power: The Italian Struggle for the by Saki Bailey and Ugo Mattei

Hata T, Aoki S, Miyazaki K, Iwanari O, Sawada K, et al.

The Italian feminist movement

They also prepared the way for a whole decade of intense and widespread social conflict--a decade in which militant social movements arose with new aspirations, centered on protagonists such as women, young people and the unemployed. Then follows a more systematic effort to gain supporters.
