Kimi No Egao Ga Nani Yori Mo Sukidatta (Detective Conan Ending 45)

The art evolves a lot during the run, something that I always find fascinating to see. They are among the most endearing casts I've ever seen in a long, long time.

Sayaka Natori

Synopsis A transfer student at her new high school, Chihiro Watanuki is helped out by a student while finding a place to park her bicycle. She is then shown at the front entrance of the High School, helplessly trying to elicit her stunned mother's help. Talking about the humor, this manga is really funny.

Yugami

Sometimes this sort of behavior has resounding consequences, but often times it just gives the overall situation a little nudge; these subtle nudges are, in the end, why people really change, and how human relations develop and sour over time. Yugami's straightforwardness and Chihiro's kindness are used in a way that never gets old. Sometimes, the winds of fate favor the selfish, the egocentric, and the obsessed.
