Inside American Education: The Decline, The Deception, The Dogmas

There is the flip classroom, where homework is to be accomplished in class and the daily lesson is to be studied by the student at home. .

THE SPLINTERING OF THE AMERICAN MIND

The educational establishment banished from schools.

And what of the fact that remedial courses are now de rigueur in institutions of higher learning, documented as far back as October 1977 by Art Buchwald? No concern for grammar, spelling, etc. Our educational establishment - a vast tax-supported empire existing quasi-independently within American society - is morally and intellectually bankrupt, charges distinguished economist and social critic Thomas Sowell. No systematic mastery of any subject.

Overall, I give this book at least a average rating compared to others books that I have read from educators. This is only slightly more sensible than sitting a child under an apple in the hope that it will arrive at the theory of gravity.

Inside American Education: The Decline, The Deception, The Dogmas

Carefully researched and chilling, if somewhat overwritten. If they misbehave, there are penalties and shaming.

Education Failing Young Americans...Yet Again

Poignant sections devoted to the survivors probe the myriad ways that individuals cope with grief and struggle to interpret and make sense of tragedy. A computer cannot compensate for a teacher properly schooled in his discipline, who uses textbooks that are not politically skewed; avoids identity politics; and understands that students need to be trained, not coddled.

Inside American education : the decline, the deception, the dogmas

Eileen can be reached at. Probably what threw me off the most was the fact that I disagreed with several things discussed in the book.
