He who is in love, his thoughts are ever upon the object.

The Mind of Christ

It definitely made me pay more attention during communion when we take the Lord's supper. If you knew they were leaving a Bible Study and were talking about Philipians — what difference would it make to what you thought and felt? Hunt describes in detail how Jesus was tried and found guilty before he was crucified. Instead, the book listed many qualities of Christ first section and then life of Christ, including Crucifixion and resurrection, which was more of describing what happened rather than the mind.

The Mind of Christ

Our goals are His goals. . . . Scripture tells us human wisdom is faulty at best, leading mankind to call good evil and evil good. But by focusing on Scripture, surrounding ourselves with godly friends, finding a trusted accountability partner, and staying deeply and vitally connected with Christ, we can begin to view our world, others, and the things we encounter through a Christ-centered lens.
