## Scrap in Arkansas

The Arkansas Delta is in the heart of the Mississippi River Flyway, a major North-South migration route for birds, making it a paradise for birdwatchers.

Unfortunately, much of the physical evidence of this progression is long gone — juke joints have burned, local radio stations lost the air wars, rural churches have been replaced and consolidated.

## The Possum

Overall framed: 48 x 61cm. Minor wear to spine ends and corners of boards.
