Ṭarīq Najīb Maḥfūz bayna al

Divergence about his voice: There is a disagreement about psalmody of this recitor and his interpretation. First of all, he became a recitor supervisor, then a worked as an assistant in the administration before becoming its chief in 1961. Reciting for Al-husayn Mosque: Sheikh Mahmūd Khalīl Al-Husarī remained the attractive recitor of Ahmadienne Mosque for ten years due to his exceptional fame as far as his age.

Al

He was treated with a special care by leaders, kings and presidents. When his voice was broadcasted for the first time on the Egyptian radio waves he got a large appreciation for his unique style and his unmistakable respect towards the recitation rules.

Abu Musab al

He achieved the noblest mission which consists of protecting the Book of God from corruption or deformation.

Dirāsāt fī tārikh al

When his voice invaded the radio waves or the cassettes of Koran, everybody could recognize the identity of the respectable recitor.

Online Quran

We commented only on that which was mentioned. He learned by heart the holy Koran before the age of eleven at the Koranic School of his village.
