Candlelit baths and tarantulas: Accused Casco burglar has a strange criminal history

How did this go wrong? While she denied harming her husband, investigators discovered several people close to Martin had passed away from strange maladies between 1934 and 1951, including two of her husbands, her mother, and three of her children.

9 Strange Laws in the Virginia Criminal Code

Early Childhood Traffic School A New Mexico judge presided over the case of a mother who was ticketed for not having her son in a seat belt. For more than a century, there have been cases of unexplained shipwrecks, disappearances, plane crashes, and mysterious lights in the sky, all over Lake Michigan.

Strange murder cases you've probably never heard of

Haigh was convinced he was getting away with murder, literally, because he mistakenly thought that without a body there was no crime. The murderer, James Biela, was eventually caught after they found her body less than a mile from my place of work at the time. The Defense: It appeared to be a slam dunk for the prosecution.

Criminal Law

And an application does not guarantee the restoration of rights.
