These articles were first published in book form in 1909. Maclaren is said with truth to have changed the whole style of the British pulpit, and to have influenced it more than any of his predecessors. As I went to him, living, for counsel and cheer, so now I may come here, and read over, for my general help in the conduct of life, the words that he left when dying.

Even this feeble endeavour to feed the lambs of Christ's fold, will not be in vain, if it suggest to parents a subject to be followed out in conversations with their children; and if they unite their prayers with ours, that God may graciously bless the following simple words to our youthful readers. Abraham's life is indeed, when looked at on one side, the example to all those who would live by faith, but also when looked at from another side, the pledge to all such, that the faithful God will provide.
