### Great Famine (Ireland)

Among the memorials in Ireland are the and in County Roscommon; the in Dublin; the , Dublin; EPIC The Irish Emigration Museum, Dublin; and the in.

### What Caused the Irish Potato Famine?

Mokyr produced two sets of data which contained an upper-bound and lower-bound estimate, which showed not much difference in regional patterns. The argument goes that but for an unforeseen event that Ireland was not doomed to experience a terrible famine.

### The Great Irish Famine 1845

This was ultimately to lead to increasing tensions between Catholics and Protestants and this was to lead to conflict between the two communities throughout the twentieth century in Ireland. He accurately diagnosed this cause and grimly predicted the disastrous results that did follow. Overcrowded, poorly maintained, and badly provisioned vessels known as sailed from small, unregulated harbours in the West of Ireland in contravention of British safety requirements, and mortality rates were high.

### Irish people

Among the most prominent of this period were , , , and. Since then the population had grown dependent upon it. The ancient peoples of Ireland —such as the creators of the and —are almost unknown.

### The Great Irish Famine (1845

This time the food crisis was much more severe as most poor tenant farmer families now had nothing to fall back on and 1846 marked the start of mass starvation and death, made even worse by an unusually cold winter.

### Irish people

In his book *The Irish Crisis*, published in 1848, Trevelyan described the famine as 'a direct stroke of an all-wise and all-merciful Providence', one which laid bare 'the deep and inveterate root of social evil'.

### **The Great Famine in Ireland**

This resulted in many outbreaks of disease, such as dysentery and typhus in towns and cities. Where is this to end? Articles are published under the Creative Commons Attribution-NonCommercial-NoDerivs CC BY-NC-ND unless otherwise stated in the article.
