What 1973 can tell us about today's economic crisis

It freed them—apart from those transitional difficulties that have already been discussed—from their chief anxieties about 'cash' and enabled them to concentrate their main energies upon the formidable problems of 'carry'. He then had to face tasks of re-staffing and re-organisation within the B.

HyperWar: British War Economy [Chapter IX]

Or is this anticipation of the need for rationing in war economy? In his new book, the investment banker Daniel Alpert says the world is suffering from oversupply. Soon after the end of WWII, following nearly a century of unrest and conflict with Indian nationalists and the Indian National Congress, led chiefly by the non-violent protester Mahatma Gandhi, Attlee's government partitioned the expansive British Empire's territory in South Asia into India and Pakistan and granted both their independence from Great Britain in 1947. By restoring economic theories of victory to their central place in the planning and early operations of World War I, Lambert reminds us how much of fundamental importance remains to be learned about that conflict, even after nearly a century.

LIBERTY! . Teacher's Guide. Factors that Handicapped the British
