Voces: 12TH ANNUAL INTERNATIONAL LATINO BOOK AWARDS WINNERS ANNOUNCED

My scholarship philosophy is still developing since I am a new researcher.

Fronteras Alternativas: Queer Latina/o and Insergencies

His research investigates practical solutions to electronic records workflow and management issues. In addition to my doctoral work, I teach courses on archives and nursing informatics. Anthony completed his doctorate from the Communication, Computing Technology in Education program at Columbia University, and BS in Computer Science from the University of California, Riverside.

The Fire of Life

His research focuses on the cultural politics of representation in digital archives. Although Thai government has implemented law and regulation about archive management for 50 years, it needs improvement in particular human resources. Noriega and Lizette Guerra and distributed by the University of Washington Press.

The Fire of Life

Sci from the National University of Singapore.

AERI 2014 Participant Biographies

Mazer Lesbian Archives, the Center for the Study of Women and the UCLA Libraries. Post, he holds a B. Cyclona's wardrobe was stitched together from other costumes and layered with various patterns and designs.

AERI 2014 Participant Biographies

My thesis aims to design archival training course in Thailand to 1 meet international standards and contemporary need, 2 fit with Thai environment and culture, 3 comply with Thai educational system and 4 achieve market need. I will then compare this model with a model of the Australian series system developed in consultation with domain experts, and compare both with real-world implementations in Archives.

AERI 2014 Participant Biographies

Prior to beginning the doctoral program, he worked as an Admissions Coordinator at North Bennet Street School and completed archives courses at Simmons College.

Robert Legorreta Collection Showcased in OCMA Triennial
