Single Parenting After Divorce

Now that you're ready to meet Mr. You can learn a new skill and add that to what you already have going for you. At this stage, take time to work on yourself and make amends for any mistake on your part that caused the divorce.

Life After Divorce: Is There Life after Getting Divorce?

Okay, that was an exaggeration -- but it's how it felt at the time, and it prompted me into action. The secret to whether or not you and your kids will survive a divorce is based on having a positive attitude, maintaining a warm relationship with your kids, and lots and lots of hard work. These minor setbacks teach you how to handle life.

The Single Mom's Survival Guide

Whatever his flaws, your kids love their dad with all their heart.

6 Tips for the Single Parent After A Divorce

Our therapist was as shocked as I was. You may even need financial assistance. You need to develop your independence, and your children need to see that there is a clean break.

6 Tips to Help You Adjust to Being Single After Divorce

In contrast, you will also make some really great decisions that will make a positive impact on your family life. It is irresponsible to ignore cries of help from your child.

The Single Mom's Survival Guide

The therapist took me aside to a different room.

A Single Mom's Guide to Looking and Feeling Great After Divorce

Eventually, wounds heal and this will only remain as a speck in your memory. Instead, forget about the person and the encounter and go about your daily activities.

Single Parenting After Divorce

We were angry at each other, and, let's face it, looking for ways to hurt each other. And you will also find that many of the things you liked doing before marriage are open to you again since your divorce.
