## Mediation as a Basic Element of Crime Control: Theoretical and Empirical Comments on JSTOR

Sammlung der Länderrichtlinien zum Täter-Opfer-Ausgleich mit einer vergleichenden Analyse Strafrechtlicher Schutz gegen Spielmanipulationen im Fussball? One of the largest, most distinguished, and innovative of the university presses today, its collection of print and online journals spans topics in the humanities and social sciences, with concentrations in sociology, musicology, history, religion, cultural and area studies, ornithology, law, and literature. Founded in 1893, University of California Press, Journals and Digital Publishing Division, disseminates scholarship of enduring value. Focused on examinations of crime and punishment in domestic, transnational, and international contexts, New Criminal Law Review formerly Buffalo Criminal Law Review provides timely, innovative commentary and in-depth scholarly analyses on a wide range of criminal law topics.

163035792

In addition to publishing its own journals, the division also provides traditional and digital publishing services to many client scholarly societies and associations. The journal encourages a variety of methodological and theoretical approaches and is a crucial resource for criminal law professionals in both academia and the criminal justice system.
