Sort of a Jane Fonda workout program for the nursery set, this verse exhorts readers to join Teddy Bear as he turns around, touches the ground, goes upstairs, says prayers, etc. Hague frames the text in sweet-as-can-be borders of a star-surrounded Teddy Bear in 10 pretty poses; facing illustrations, executed in watercolor, ink and pencil, conjure up a mirthful little teddy bear and a benign, bespectacled mother as they cavort against elegantly but relentlessly patterned backdrops.
