grammar

The Ape That Spoke: Language and the Evolution of the Human Mind. Through language and speech, other aspects of culture developed; language made possible the presentation of more abstract ideas, which led to cultural depth and differences.

'Dulce et Decorum' language exploration

There were also forced literacy tests for blacks in states like Virginia, another tool of humiliation.

The Evolution of Languages

The item may be a factory second or a new, unused item with defects or irregularities. Certain jobs or roles within these populations required literacy; many more mostly those among the poor simply did not.
