His precise mechanical drawings of case pieces illustrate his analysis of the patterns and proportions that characterize Shaker furniture, and in words recorded in the journals of the nineteenth-century Shaker cabinetmaker Freegift Wells, he takes us step by step through the construction of a single piece of furniture from green lumber to finished bookcase. . I like that the book organised examples by geography so that you can see variations across areas.

The Book of Shaker Furniture: Kassay, John: 9780870232756: play.fridaynightfunk.rf.gd: Books

In their second section, the authors tighten their focus to identify the actual furniture made and used by the Shakers. Following the model of furniture study developed in the 1970s, they start by identifying specific elements of architectural woodwork extant in original Shaker buildings.

The Book of Shaker Furniture: Kassay, John: 9780870232756: play.fridaynightfunk.rf.gd: Books

Authors Rieman and Burks have done an exemplary job of factoring the complicated and elusive corpus of Shaker furniture down to its primary elements. Illustrations are clear and attractive.

Shop Drawings of Shaker Furniture & Woodenware (Vol.1): Handberg, Ejner: 9780936399171: play.fridaynightfunk.rf.gd: Books

Moser's eye and aesthetic are well known and this book is both an example of some of his pieces with basic shop drawings but without construction steps and his take on woodworking, wood, and tools, along with some intriguing information on how his shop works. No furniture makers, antique lovers, libraries or museums should be without them. As a hobby woodworker, I find this to be an unparalleled resource for inspiration.

The Book of Shaker Furniture: Kassay, John: 9780870232756: play.fridaynightfunk.rf.gd: Books

This book is also richly illustrated with historical images—period photographs, wood engravings, and watercolor renderings from the Index of American Design. Schlechte Druckqualität, vor allem die Fotos leiden darunter, Inkjet niedriger Aufl sung, teils mit Streifen. The book is not

without its problems.

Timothy D. Rieman and Jean M. Burks

With over 100,000 copies in print and nearly twenty years of service to cabinetmakers and antiques collectors worldwide, these highly respected books have established themselves as an authoritative source. What has taken furniture historians so long to come to terms with Shaker furniture? Download The Book of Shaker Furniture Books now! Johnson and of the late Edward F.

I, of course, perused it before passing it on and was very impressed with the visual presentations and obvious scholarship.
