### Family and the Mentally Retarded Child on JSTOR

Whenever mentally retarded persons are unable, because of the severity of their handicap, to exercise all their rights in a meaningful way or it should become necessary to restrict or deny some or all of these rights, the procedure used for that restriction or denial of rights must contain proper legal safeguards against every form of abuse. There are children who should not be in a mainstream classroom, their behavior, cognitive development, and socialization skills are below the acceptable guidelines for inclusion. However, avoid any negative punishments as it is likely to demotivate them.

### OHCHR

They cannot process the world in terms of letters and sounds; they do make their wishes known, however to their caregivers, often in nonverbal ways. Examination of the chest, heart, spine, abdomen, genitalia, extremities, muscles and neurologic reflexes can reveal abnormalities that may

be associated with retardation. Today, we see great strides made by gay and lesbian Americans towards equality.

### **How the Word 'Retarded' Hurts the Developmentally Disabled**

Families should be supported as they encourage independent functioning on the part of their adolescent or young-adult son or daughter.

### **Mental Retardation Characteristics**

Routines also help intellectually disabled children get used to and build the skills that they can use in their adulthood. The investigator has therefore stated two hypotheses which will serve as the nucleus of this study and will be tested within a specified population. A complete list of syndromes associated with mental retardation is beyond the scope of this article, and the reader is referred to the reference list.

### **The Unusual Parents**

Lollar DJ, Reinoehl JK, Leverette AT, Martin JC, Posid VA. The rest of this group are able to complete their minimum education in special classes and they can somehow manage unskilled jobs. The infant was breast-fed for about 12 months.

### **OHCHR**

The child was referred to an early intervention program.
