**Matthew 7:3 Why do you look at the speck in your brother's eye, but fail to notice the beam in your own eye?**

A glossary or lists of key words by chapter would be useful and eventually may be available through the shared supplemental materials.

## Speakout

Exploratory Research Exploratory research encompasses brainstorming strategies that spark curiosity. Content Accuracy rating: 5 The information is completely accurate and unbiased.

## Stand Out, Third Edition

Most high school and college level students will have very little difficulty with it—sentences are relatively short, vocabulary is not challenging, and sentence structure is straightforward.

## Speakout

MLA and APA guidelines were up-to-date.

## SpeakOut Intermediate 2nd edition full [update 2020]

It combines the best features of an introductory workbook such as interactive checklists and extended examples with strong features of a textbook.

## SpeakOut Elementary 2nd edition [update 2020]

Speak Now features fully integrated video every four lessons, with characters modeling real-world language. He brainstorms a list of topics: 1. It would be very difficult for students to quickly find specific information.
