The 7 Best Parkinson's Disease Support Groups of 2021

Although there is no cure for the disease at this time, by identifying symptoms and determining a proper course of treatment, most people with the disease are able to remain active and lead fulfilling lives.

Parkinson's and Your Social Life: Advice from Our Community

We also considered the diversity of the support provided, like whether the groups provided a healthy mixture of emotional, informational, and social support. Genetic tests are not generally available, but the Parkinson's Foundation is the first national Parkinson's study to offer free genetic testing plus counseling for Parkinson's-related genes through medical professionals. The information provided is hopefully a good stepping stone for finding comfort and guidance.

Early Onset Parkinson's Disease

There are many different tools individuals and families use to create budgets. We are patient coaches and advocates and bridges to the rest of the care team. These funds contribute to the running of the overall organization, which includes its support groups.
