The Stones of Venice (1851)

The entire height was given to the single chamber, being indeed not too great for just harmony with its enormous length and breadth. The nearer and undecorated wall is part of the older palace, though much defaced by modern opening of common windows, refittings of the brickwork, etc.

DiscContinuity: 'The Stones of Venice'

Mountebank and masker laughed their laugh, and went their way; and a silence has followed them, not unforetold; for amidst them all, through century after century of gathering vanity and festering guilt, that white dome of St.

The Stones of Venice (book)

If you have never been to Venice, this and Jan Morris's Venice are perfect ways to prepare your voyage! Some rubbing to the cloth with edgewear, mostly at the spine tips and corners.

The Stones of Venice (book)

Through his writings and paintings, Ruskin encapsulates the real Venice, and through the stratification of the stones laid there during every period, we get a true sense of what the city is all about. Fifthly, Three spiral, shafts with niches.

Venice » Ruskin's "The Stones of Venice"

And when in her last hours she threw off all shame and all restraint, and the great square of the city became filled with the madness of the whole earth, be it remembered how much her sin was greater, because it was done in the face of the House of God, burning with the letters of His Law.

The Stones of Venice (1851)

He does drone on at times, especially in the chapter on St. He measured the distances between every post, pillar, door and window at every site. These opinions, given in writing, have been preserved, and published by the Abbé Cadorn, in the work already so often referred to; and they form

one of the most important series of documents connected with the Ducal Palace.

The Stones of Venice Tour

· THE RENAISSANCE , and what its revolutions might mean to us now. The Doctor confesses that he used to name-drop with more ease and frequency 'long ago', which doesn't take 'Storm Warning' into account. A male figure, with his lap full of money, which he pours out of his hand.
