Ōsugi Sakae, Anarchist in Taishō Japan: The Creativity of the Ego on JSTOR

. Hōrō no dadaisuto Tsuji Jun : Ore wa shinsei yuiitsusha de aru. Ōsugi Sakae, Anarchist in Taishō Japan: The Creativity of the Ego.

Ōsugi Sakae

While in school he experienced independent living for the first time and began associations that would last years and lead to his experimental phase in and. Thus, their belief is vested in simply changing the factory system and organization according to economic processes. Most of his comrades were personally affronted by the scandal and fearful of damage to the socialist movement.

The Autobiography of Osugi Sakae by Ōsugi Sakae

Elle estimait que Seitō avait permis aux femmes de penser par elles-mêmes, de se donner courage et confiance. The night had passed, and the mid-August morning sun shines on my half-asleep countenance. Elle raconte dans sa première autobiographie Hiratsuka 1955 le processus de la création de Seitōsha et ses souvenirs sur ses membres.

Sakae Osugi

Even by the end of the book, though he describes his father's campaign preparations as ludicrous, this seems to be a rather forced or caveated judgement. The chains that bound my mind were rather much easier to break than I had believed. They are a frightening bunch and I dare not approach them.
