### Markus Weggenmann

Nevertheless, since the «Hasenbart» format corresponds almost one to one with the original drafts, the most recent works undermine the central procedure of the blow up, thus shortening the path from the original design to the final image. Weggenmann war in zahlreichen Einzel- und Gruppenausstellungen im In- und Ausland vertreten.

Neuware - Seit über dreissig Jahren ist Markus Weggenmann auf der Suche nach einer Antwort auf die Frage: Was ist Malerei In den letzten drei Dekaden hat der Künstler dafür immer wieder überraschende und inspirierende Lösungen gefunden, die nicht zuletzt dank ihres innovativen Malprozesses Neuland betreten. He lives and works in Zurich und Lunnezia, Switzerland.

Dem Begriff einer zeitgenössischen Bildfindung ist er dabei beharrlich und mit dem unablässigen Drang eines Forschers nachgegangen und hat ihn stets weiterentwickelt und geprägt.

### Markus Weggenmann

Thomas Taubert started in the art world in 1993 in Düsseldorf, Germany, with a non-profit exhibition space focussing exclusively on site specific installations. With this work group, Markus Weggenmann invites us for once to come closer—in a literal and metaphorical sense, closer to his painting, which at its core is highly personal; paintings, about which he says that they emerge from encounters with colours and shapes. For books, list title, author, date of publication.

Dealer Note: Please enter books, periodicals and museum references in the space provided. In the large-scale works, amorphous shapes in blue, red or brown encounter uncompromising black or white, as though the colours were negotiating their status amongst themselves. Having started with conceptual stripe paintings, followed by high gloss paintings on aluminum, Weggenmann developed his work with side steps to tapestry and sculpture up to a back-to-the-roots distemper on canvas painting.
