The Policy Work of the National Committee of Inquiry into Higher Education in the United Kingdom (the Dearing Committee, 1996

The reverse is true among older people, with 64 per cent of over-65s voting to leave.

R. Dearing, "Higher Education in the Learning Society— Summary Report," The National Committee of Inquiry into Higher Education, Her Majestys Stationery Office, London, 1997.

The returns to higher education in Britain: Evidence from a British cohort. And to its performance Miss La Follette has brought unwearied industry and rare intellectual integrity.

The representation and attainment of students with dyslexia in UK higher education

For these reasons the ESRC would not provide a good model for a Humanities Research Council. Further discussion of these proposals is needed.

Labour MP is right: better educated people were more likely to vote Remain

In particular, the government should confirm that universities will receive the full gross benefit of the new tuition fees which they have imposed. Teachers may find teaching science a major challenge in an era when science ranges from the hardly imaginable quark to the distant, blazing quasar. In Higher education in the learning society.
