## Early Printed Editions of the Hebrew Bible

The tetragrammaton appears on tarotcards and in freemason shrines. The other enterprise was that of Hirsch Frankfurter till 1701, who had the backing of his brother-in-law, the Court Jew Mordecai Model of Ansbach; the latter had a license to print the Talmud. While officially approved, this new version failed to displace the Geneva translation as the most popular English Bible of the age.

## King James Bible History

Butterworth, The Literary Lineage of the King James Bible 1340—1611, Philadelphia: University of Pennsylvania Press, 1941.

## King James Bible History

About the middle of the eighteenth century this need was felt very keenly by Benjamin Kennicott, a canon of Christ Church, Oxford, who determined to remedy the evil. This press printed some important rabbinic and Yiddish works.

Then Bloch's son-in-law Aaron Frankl took over, his first production being a two-volume folio mahzor, attractively printed with decorated initials and a convenient arrangement of the prayers. The folio edition of the Pentateuch, with vowels and accents, containing the Targum of Onkelos and the commentary of Rabbi Samuel Jarchi, printed at Bologna, 1482.

## Bibles of Colonial America

First, it is in a different and unfamiliar alphabet, and second, the attached prefixes and suffixes make the root words hard to recognize.
