The historical scope of the project has a chronological range of 1890 to 1922 though the earliest journals that currently appear on the site date from 1896 and 1904, and a geographical range that extends to wherever English language periodicals were published. Was the document possibly a forgery? Newport:

tension, , and economic competition between the — primarily the and its and allies — and the powers of the , primarily the and its.

Declassified Docs

The freely available material on the website includes providing overviews and selected documents on over 450 topics.

“These People Are Frightened to Death”

Venona: Decoding Soviet Espionage in America 1999. The documents gathered and generated by the Hoey committee during its six months in operation are held at the Center for Legislative Archives, the permanent home within the National Archives for the records of Congress. The committee found that, during the preceding three years, close to 5,000 homosexuals had been detected in the military and civilian workforces.
