### The Stranger (Camus novel)

Raymond asks Meursault to write a letter inviting the girl over to Raymond's apartment solely so that he can have sex with her and then spit in her face and throw her out. Bien que dans L'Étranger Camus ne se réfère pas explicitement à la notion de l'absurde, les principes de l'absurdité fonctionnent dans le roman. After the chaplain leaves, Meursault finds some comfort in thinking about the parallels between his situation and how he thinks his mother must have felt when she was surrounded by death and slowly dying at the retirement home.

### Analyse du livre L'étranger de Camus pour les étudiants

Le lendemain de l'enterrement, Meursault décide d'aller nager à l'établissement de bains du port, et y rencontre Marie, une qui avait travaillé dans la même entreprise que lui. The lyrics to both versions include direct references to the protagonist's mother's death and the expectation that he cry at her funeral.

### L'étranger de Albert Camus

Ses motifs restent obscurs au lecteur et à Meursault, qui ne se pose pas la question. It was a New York Times Notable Book of 2015.

### L'Étranger, de Camus : Résumé

The Arabs confront Raymond and his friend, and the brother wounds Raymond with a knife before running away. I admit that i sometimes have a hard time reading and following dense French literature since my vocabulary isn't stellar. When asked if he wishes to view the body, he declines, and he smokes and drinks coffee at the vigil held by his mother's coffin the night before the burial.

### L'Étranger, de Camus : Résumé

Still it is well written, engaging, and a classic piece of French literature that I would recommend to any francophones out there. Louis Hudon dismissed the characterisation of L'Étranger as an existentialist novel in his 1960 analysis.

### L'étranger de Albert Camus

The novel was twice adapted as films: 1967 Italian by and 2001, Fate by Turkish. This man lives in the now, unaware or unwilling to perceive the consequences of his actions, of his words, of his thoughts.

### **The Stranger (Camus novel)**

The chaplain believes Meursault's appeal will succeed in getting him released from prison, but says such an outcome will not get rid of his feelings of guilt or fix his relationship with God.
