But there existed a great deal of talent among them.

Siegfried Sassoon The Making Of A War Poet A Biography 1886 1918 PDF Book

They had become friends through a shared interest in steeplechasing, cricket and poetry and also perhaps through a shared experience of war, though my father's had been briefer and much less horrific. What emerges from this attempt to characterise the different phases of war poetry, however, is that some of the best, certainly some of the most interesting, poets defy even the broadest and most tentative of schemes. I know from personal experience that to be utterly frank is to court withdrawal of affection and access.
