Rifleman Dodd by C.S. Forester

The Portuguese might as well be some aboriginal tribe of the African jungle. Lively sallies of wit cheerfully received as guilelessly shot forth added brilliancy to the festive board. This belongs to a certain genre for a particular reader.

Hathaway Eileen

It gains you some insight into the nature of guerilla warfare and the lot of ordinary soldiers in the Nineteenth Century. The Riflemen of the 60th performed sterling service in their absence, being one of the few regiments mentioned by name in Wellesley's dispatch to the British government.

Story Peninsular War, First Edition

The Spanish population's reaction to the French invaders brought the words guerrilla and junta into the English language. Readers interested in the evolution of total war in modern European history will find Peninsular Eyewitness most helpful and interesting. Broadleaf Books is a second hand independent bookshop in Abergavenny, South Wales.

war

JS: Yes, the first two series— Rifles thru Honour—had passed by with only a photographic journal and written diary to document everything that transpired on those two tumultuous years.

9780952278238

Eyewitness accounts by soldiers of Wellington's Army 1808-1814 2001.

Rifleman Dodd by C.S. Forester

Some popular literature even puts the range at 800 yards.

war

I'm wondering if the book is a work of fiction or if it is a recording from a veteran after the war. Everything about him is written as a distant outsider would view events, rather than from his perspective or even someone close to him.

The History Book Club

One GR reviewer states that there is not much dialogue, which is true, because Dodd can speak very little Portuguese and the Portuguese no English; besides one does not talk much while behind enemy lines I would imagine and then only very much to the point of tactics. .
