NAZI ECOLOGY

The author also offers guidance and hope for those shaken by ideological crosscurrents as he convincingly demonstrates that Christian theology does not stifle the truth. Vision became division, and where there was once unity, there was now disunity.

Essay about Culture and the Biblical Worldview: a Theological Response to the Question of Truth

Having rejected the God who is revealed in nature and conscience, humanity is left with its own imagination to recast God as it pleases. International communism thus was converted into a multicultural form of modern fascism that accentuates cultural dissimilarities. In this sense, Veith agrees with Postman that technology is often at odds with tradition.

Modern Fascism: Liquidating the Judeo

Electronic images are sacred not because we associate them with the true and living God, but because we associate them with ourselves. What does it mean when God gives Bobbie Houston a God whisper? Postman is saying television is common, but it is not normal.

Concordia Publishing House

Mark has written articles for national media websites, and is a contributing writer for the , which is a coalition of clergy, theologians, religious leaders, scientists, academics, and policy experts committed to bringing a balanced biblical view of stewardship to the critical issues of environment and development.
