Are there unconscious forces at work behind such strange behaviors? In this volume author Marcello Danesi shows us that the discipline that endeavors to understand the human meaning quest is known as semiotics.

Of Cigarettes, High Heels, and Other Interesting Things, Second Edition An Introduction to Semiotics

The discipline that studies such behaviors and their relation to meanings is called semiotics. Why is it that some females make walking a struggle for themselves by donning high heel footwear? This book has soft covers. Semiotics probes the human condition in its own peculiar way, by unraveling the meanings of signs, which motivate not only the wearing of high heel shoes, but also the construction of words and art forms.
