Minor are highlighted with images of cape and broadleaf evergreen forests.

Stuarts' Field Guide to Mammals of Southern Africa

It covers - in surprising detail - some 120 mammals, from the smallest bats, sengis and shrews to the largest, such as elephants, lions and rhinoceroses, as well as marine species, such as seals, dolphins and whales.

Field Guide to Mammals of Southern Africa

This new edition provides the most detailed coverage of tracks, droppings, bird pellets, nests and shelters and feeding signs, not only for mammals, but also for birds, reptiles, insects and other invertebrates. Up-to-date information, revised distribution maps and new images where available have been combined in a modern, full-color layout. Castelló Publisher: Princeton University Press ISBN: Category: Nature Page: 664 View: 626 Bovids are a diverse group of ruminant mammals that have hooves and unbranched hollow horns.
