Learning for Life: Why it's a Necessity

Lifelong learning helps develop your leadership skills which then translates into fostering lifelong learning in other individuals, by encouraging them to pursue further education. Current Events, Class 235 1 - 3 p.

Tri

Change your perspective Continuous learning opens your mind and changes your attitude by building on what you already know. Improved self-confidence Becoming more knowledgeable or skilled in something can increase our self-confidence in both our personal and professional lives.

Patreon logo

With our history example: the person who wants to simply learn more about a particular historical time period could discover books in the library catalog, blogs, magazines and podcasts dedicated to the subject, or even museums and talks.

Florida State University

Our unique model incorporates one-on-one attention, small group instruction and experiential learning.

Home

The majority of sessions are presented by Northwestern University faculty.

Learning for Life

When beginning this journey, my goal to offer free lessons was in hopes of making this free to you and monetizing with YouTube to help cover expenses, but our community, in the big scheme of things is a very small community. Renewed self-motivation Sometimes we get stuck in a rut doing things simply because we have to do them, like going to work or cleaning the house.
